FAULT DETECTOR RELAY

TYPE CHC

MODEL 12CHC99AF(-)A

INTRODUCTION

This instruction book, together with insert booklet GEI-98337, forms the instructions for the Type CHC99AF(-)A relays.

DESCRIPTION

The 12CHC99AF(-)A relays are similar to the 12CHC15A(-)A relay, with the internal connections of the 12CHC15B(-)A relays. The internal connections diagram, 0103A8678, is shown in Figure 1 of this instruction book.

These instructions do not purport to cover all details or variations in equipment nor to provide for every possible contingency to be met in connection with installation, operation or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser's purposes, the matter should be referred to the General Electric Company.

To the extent required the products described herein meet applicable ANSI, IEEE and NEMA standards; but no such assurance is given with respect to local codes and ordinances because they vary greatly.
